8 November 1976

STAT

MEMORANDUM FOR:

SUBJECT : Initiation of Exclusive Use of SI Units
of Measure in Lieu of Dual Reporting

1. I remind you of our agreement  to transfer to exclusive use of SI units of measure in intelligence reporting on 20 November 1976. We may expect that reports in process at that time may subsequently appear in a dual format.

2. If for any reason there are second thoughts about this conversion, please notify me soonest so that the metric coordinators as a group can consider them. I have been impressed both with the ease of our transition to metric units of measure in our reporting and with the negligible (and manageable) number of requests for temporary exception to the system. You have every reason to be pleased with the Agency's performance.
